# WHERE ARE WE IN THE UK?

## Portsmouth UK

Portsmouth is located mainly on Portsea Island; the United Kingdom's only island city. As a result the Portsmouth ferry port is one of the busiest in the UK carrying over 2 million passengers every year.

It is home to the Royal Navy, the University of Portsmouth and Portsmouth Football Club. Portsmouth has been used in a number of films and television shows and was also home to Charles Dickens, now to Meridian School of English!

Our school in Portsmouth is centrally located on the third floor of the beautiful and historic Portsmouth Guildhall. There is lift access if you are unable or prefer not to take the stairs. This centre is a specialist provider in work experience, training of educational staff, and staff mobility.

## Plymouth UK

Plymouth, Britain's Ocean City, is vibrant, on the waterfront and has a wealth of attractions and activities to enjoy. We specialise in both work experience and project based learning at our Plymouth centre.

Set among some of England's most glorious countryside where a rich maritime heritage meets the bustle of modern commerce. A popular holiday centre which turns, at night, into a glittering city of entertainment.

Home to Plymouth University - one of the largest in the UK and ranked among the top 40 of modern global elite universities.

Our Head Office and English language school in Plymouth are located in the historic Swarthmore Centre.

Students love to sit in the garden in the summer to eat their lunch or take a break.
